Check-in at registration when you arrive – registration will be in the Gallery of the University Center Complex and will open at 11:30 am on Friday, September 23, and at 8 am on Saturday, September 24. ALL guests are required to check-in on either Friday or Saturday to receive their official Fall Festival name badge and important information.

PARKING:

On campus parking for the Fall Festival will be available on a first come, first served basis at all open university lots on September 23 and September 24.

- 8th Street Lot – Enter campus via campus on 9th Street. You can reach the 8th Street parking lot by making a right at Castle Point Terrace (a cobblestone street). The 8th Street Parking Lot will be directly ahead of you and is marked with solar panels and wrought iron gates.

You can also enter the Babbio Center Garage via Frank Sinatra Drive – 5th Street and Frank Sinatra Drive intersect at the entrance to the Babbio Center Garage. You can park on any level of the parking garage and take the elevator to the lobby.
